

MALDEN ART COMMISSION

201 S. MADISON STREET
MALDEN MISSOURI 63863

Dear Maldenite,

With your help, we will make great strides in improving the looks of Malden. Our donation drive is underway. Your support is very important.

With generous donations, we have been successful in archivally framing 27 historical photos of Malden for public display. We are in the process of selecting and framing more.

A plan is in the works to beautify the area west of the Board of Public Works, and to make it an appealing and functional place to hold downtown events. The Art Commission is choosing a design for a bandstand. An art-retro style picket fence has been chosen for certain sections. It is our desire to have a water feature and one or two fountains in this area. Some benches and trees will improve the BPW area.

The corner area of Donna's Flower Shop (NE Beckwith and Main St.) is also on the agenda to be beautified.

Your generous support is vital in accomplishing these goals. We need your help. Donations are tax deductible as allowed by law. Donations can be made outright, memorials, or in honor of someone.

Check or money orders should be made payable to Malden Arts Commission and mailed to Malden City Hall (201 S. Madison Street).

Our goal is to make Malden something of which we can all be proud – a beautiful place; and you can be proud that you helped.
